Project Detail

Description:

Route 50 Walkway - Chichester Lane to Cedar Lane Sidewalk project was substantially completed on April 17, 2023. The project provides a pedestrian walkway connection along the north side Route 50 Service Drive from Chichester Lane to Cedar Lane including walkway connection with bus pad to the existing bus stop on mainline Route 50. The construction includes the installation of concrete sidewalk, curb ramps, road widening, storm sewer and structures, watermain works, milling and paving, pavement marking , installing new signs and relocating existing signs.

Project Overview:

- Project Delivery: Design-Bid-Build
- Contract: Annual Contract with Unit Price

Construction Cost : \$593,020.00
