The following criteria were assembled by the members of the Redistricting Advisory Committee (RAC) to use when selecting magisterial district and precinct names to consider for the renaming process. The steps in which a name would be considered for discussion proceeded as follows:

- A committee member would make a motion to the full RAC to include a district or precinct name based on one or more of the criteria below
- If the motion was seconded, a discussion would follow and the motioning committee member would justify, if asked, how their candidate for renaming met the criteria
- When discussion was closed, the Chair called for a vote. If the motion passed, the candidate was added to the list of names to be evaluated.

Candidate selection criteria

1. Does the name violate the spirit or explicit meaning of the One Fairfax policy?
2. Is the name offensive to the community?
3. Is the name related to the Confederate past?
4. Is the name associated with segregation, Jim Crow, racism, discrimination, or slave ownership?
5. Is the name confusing to residents or is it geographically representative of the district?
6. Is the name of historical significance or is the name no longer reflective of life in that part of the county?
7. Does it help residents aspire to the best possible quality of life in the future?

Discussion considerations:

Is a change disruptive to the economic interest of the district or precinct?
