USING YOUR DELTA DENTAL PPO PLUS PREMIER PROGRAM

To use the program, just call the dental office of your choice and make an appointment. Participating dentist offices will have claim forms in the office and will complete and submit the form to Delta Dental of Virginia (Delta Dental). A complete list of participating dentists is included on our website at www.deltadentalva.com or can be obtained by calling 1-800-237-6060.

The Delta Dental PPO plus Premier program allows you to:

- change dentists at any time without pre-approval
- go to a specialist without pre-approval

During your first appointment, provide your dentist with the following information:

- the subscriber's identification number
- inform the dentist that your program is through Delta Dental of Virginia

CHOOSING A DENTIST

You may select the Dentist of your choice. However, you will receive the highest level of benefits available in your group's program by choosing a Delta Dental PPO Dentist. In addition, your out-of-pocket costs will usually be lower if you use a participating dentist. If you choose a:

EXCLUSIONS

The following are not covered benefits under any circumstances **unless specifically identified** as a covered benefit in the plan documents.

- Services or supplies that are not dental services; also services not specifically listed as covered in the plan documents.
- Services or treatment provided by someone other than a licensed dentist or a qualified licensed dental hygienist working under the supervision of a dentist.
- A dental service that Delta Dental, in its sole discretion (subject to any and all internal and external appeals available to an enrollee), determines is not necessary or customary for the diagnosis or treatment of your condition. In making this determination, Delta Dental will take into account generally accepted dental practice standards based on the dental services provided. In addition, each covered benefit must demonstrate dental necessity. Dental Necessity is determined in accordance with generally accepted standards of dentistry.
- Dental services for injuries or conditions that may be covered under workers compensation or similar employer liability laws or other medical plan coverage; also benefits or services that are available under any federal or state government program (subject to the rules and regulations of those programs) or from any charitable foundation or similar entity.
- Dental services for the diagnosis or treatment for illnesses, injuries or other conditions for which you are eligible for coverage under your hospital, medical/surgical, or major medical plan.
- Dental services started or rendered before the date the enrolled under this dental plan. Also, except as otherwise provided in the plan documents, benefits for a course of treatment that began before you are enrolled under this dental plan.
- Except as otherwise provided in the plan documents, dental services provided after the date you are no longer enrolled or eligible for coverage under the plan documents.
- Except as otherwise provided in the plan documents, prescription and non-prescription drugs; pre-medications; preventive control programs, oral hygiene instructions, and relative analgesia.
- General anesthesia when less than three (3) teeth will be extracted during the same office visit.
- Splinting or devices used to support, protect, or immobilize oral structures that have loosened or been reimplanted, fractured or traumatized.
- Charges for inpatient or outpatient hospital services; any additional fee that the dentist may charge for treating a patient in a hospital, nursing home or similar facility.
- Charges to complete a claim form, copy records, or respond to Delta Dental's requests for information; charges for failure to keep a scheduled appointment.
- Charges for consultations in person, by phone or by other electronic means.
- Charges for x-ray interpretation.
- Dental services to the extent that benefits are provided or would have been provided if the enrollee had enrolled, applied for, or maintained eligibility under Title XVIII of the Social Security Act (Medicare), including any amendments or other changes to that Act.
- Complimentary services or dental services for which you would not be obligated to pay in the absence of the coverage under the plan documents or any similar coverage.
- Services or treatment provided to an immediate family member by the treating dentist. This would include a dentist's parent, spouse or child.
- Dental services and supplies for the replacement device or repeat treatment of lost, misplaced or stolen prosthetic devices including space maintainers, bridges and dentures (among other devices).
- Dental services or other services that Delta Dental determines are for the purpose of correcting congenital malformations; also, cosmetic surgery or dentistry for cosmetic purposes.
- Replacement of congenitally missing teeth by dental implant, fixed or removable prosthesis whether the result of a medical diagnosis including but not limited to hereditary ectodermal dysplasia or not related to a medical diagnosis.

- Experimental or investigative dental procedures, services, supplies as well as services and/or procedures due to complications thereof. Experimental or investigative procedures, services or supplies are those which, in the judgment of the Delta Dental: (a) are in a trial stage; (b) are not in accordance with generally accepted standards of dental practice, or (c) have not yet been shown to be consistently effective for the diagnosis or treatment of the enrollee's condition.
- Dental services for restoring tooth structure lost from wear (abrasion, erosion, attrition, or abfraction), for rebuilding or maintaining chewing surfaces due to teeth out of alignment or occlusion, or for stabilizing the teeth. Such services include but are not limited to equilibration and periodontal splinting.
- Dental services, procedures and supplies that are needed because of harmful habits. An example of a harmful habit includes clenching or grinding of the teeth.
- Services billed under multiple dental service procedure codes that Delta Dental, in its sole discretion (subject to any and all internal and external appeals available to you), determines should have been billed under a single, more comprehensive dental service procedure code. Delta Dental bases their payment on the allowance for the more comprehensive code, not on the allowance(s) for the underlying component codes.
- Services billed under a dental service procedure code that Delta Dental, in its sole discretion (subject to any and all internal and external appeals available to you), determines should have been billed under a code that more accurately describes the dental service. Delta Dental's bases their payment on its determination of the more accurate dental service code.
- Amounts assessed on dental services and/or supplies by state or local regulation.
- Amounts that exceed the plan allowances as agreed to by the dentist for covered benefits.

The preceding information is offered as a brief description of the Delta Dental PPO program and what Delta Dental pays for services covered under the program.
