How to Log In to View Your Personal Retirement Information

1. Visit the Retirement Systems Website at www.fairfaxcounty.gov/retirement and create your own personal Retirement Account by clicking on the link for Retirement Account Log In marked with a red arrow below.

   WHAT WE DO
   Fairfax County Retirement Systems: Employees | Police Officers | Uniformed — We are Three Systems, One Team: Serving the Employees, Retirees and Citizens of Fairfax County. As stewards of the three defined benefit retirement systems of Fairfax County, it is our mission to provide excellent oversight and accountability for the funds under our care, and to provide the best-possible customer service to all members of our systems. We do so under the leadership of each systems’ Board of Trustees, who themselves are made up of employees, retirees, County officials, and citizen appointees.

2. Click on the Link that says “Need an Account?”

3. Answer the questions on this screen & press “Continue”
4. Once you are logged in you will see your Summary Information.

Insert your new Username and Password in the blanks on this screen and click the “Login” box.

5. Once you are logged in you will see your Summary Information.

While you can view information in WMS, you cannot make any changes. If you need to make changes to beneficiary information or any other data in your record, please contact the Retirement Systems Office?

Questions??

retirementquestions@fairfaxcounty.gov
or call 703-279-8200

Please Note: The data in this online system calculates projections into the future based on the number of hours worked relative to 40 hours per week, 52 weeks each year. Anything less than 2,080 hours a year contributing into the Retirement System designates an employee as PART TIME with regards to benefit service. Estimates generated in this system INCLUDE retirement service credit for accrued sick leave.

6. You can then click on the other links for additional information and the Benefit Estimator.
