County of Fairfax, Virginia

ADDENDUM

DATE: October 29, 2025

ADDENDUM NO. 4

TO:	ALL PROSPECTIVE BIDDER
REFERENCE:	RFP 202509
TITLE:	Inmate Communications for the Fairfax County Adult Detention Center
DUE DATE/TIME:	Monday, November 10, 2025, at 2:00 PM (CHANGED Date)

The above reference request for proposal is amended as follows:

CLARIFICATION:

The following was brought to our attention, and the subsequent **response** is provided.

"Upon release of Amendment 2 on 10/14/2025 of RFP 202509, for Inmate Communications for the Fairfax County Adult Detention Center, we noticed that a material issue with RFP had not been modified. On tab "K. Facility Specifications" located within FCSO_Attachment_1 the County specifies the number of minutes that have been called using the inmate telephone system (5,628,908). If you were to take the highest rate that is currently being charged, $0.09 per minute, that revenue would only amount to $506,601.72 far less than the annual payment of $750,000. Even when looking at the last RFP issued in 2020, and taking into account the decrease in ADP in comparison to the decrease in the number of minutes, every indication points to the number of minutes in the current RFP being understated."

RESPONSE:

Based upon the historical data on attached breakdown, no changes will be made to Attachment 1-Tab K.

All other terms and conditions remain the same.
