**Sign up for the Mount Vernon Advisor**

Dear Neighbors,

As we wrap up the school year, I first want to congratulate the graduating class of 2017! Our students at Bryant, Edison, Hayfied, Mount Vernon, South

County, Thomas Jefferson, and West Potomac have worked hard to earn the distinction of being a Fairfax County Public School System alumni. Many of these graduates will be off to college later this summer to continue their education. Some may be entering the work force to pursue careers, vocational training, or starting their military career. Fairfax County is fortunate to have a dynamic economy with a lower than average unemployment rate. When I see these young women and men walk across the stage to receive their diplomas it reminds me of my pledge and duty to transform the Richmond Highway corridor into a place of high quality employment opportunities. They certainly deserve the best.

Many other children and adolescents will be out of school for the summer enjoying a break. Last week, I had the honor of attending the ribbon cutting of the newly renovated Stratford Landing Recreation Association pool. The community rallied together to raise money to make the pool better than ever! It reminded me of my own start in local public service over 20 years ago when I took on the challenge of renovating my community's failing pool. It is always such a reward to see these projects strengthen our neighborhood bonds. If you are too busy working to enjoy the pool, then Fairfax County has many [summer camp](#) options to keep kids active, engaged and learning all summer long. Our fabulous [farmers markets](#) are fully stocked with fresh, local fruits, vegetables, and baked goods. Be sure to attend the free [Mount Vernon Nights Summer Concert Series](#) 7:30 pm on Fridays at Grist Mill Park and 6:00 pm on Saturdays at the Workhouse Arts Center.

Even though the lazy days of summer are soon upon us, the Fairfax County Board of Supervisors and I have been hard at work on several initiatives. Last week, I introduced a Board Matter with Supervisor McKay's support to combat aggressive driving in the Mount Vernon Police District. Fairfax County's finest will be out in force enforcing traffic laws

over the summer. I encourage residents to e-mail the [Mount Vernon Police Station](#) if they see any unsafe or aggressive driving. I will also host a [Senior Safety Summit](#) on June 30<sup>th</sup> from 9:00 a.m. - 12:00 p.m. at the Mount Vernon Government Center.

There has been a change of command at the Mount Vernon District Police Station and while we have been very fortunate to have Captain Shawn Martin's leadership for four years, please welcome our new Captain Anthony "Tony" Matos back to the Mount Vernon Station.

We have many upcoming events. Here are a few ways to get involved and connect. Please join us! #Connect MVD

## Summer Aggressive Driving Campaign

With crowded, busy roads, aggressive driving is a troubling and dangerous problem in Fairfax County and across the metropolitan region. Some of the most visible acts of aggressive driving include:

- Tailgating
- Unsafe lane changes
- Speeding
- Running red lights and stop signs

This summer, the Fairfax County Police Department will be targeting aggressive and unsafe drivers along the Richmond Highway corridor. You can help by reporting aggressive drivers to [FCPDMTVtraffic@fairfaxcounty.gov](mailto:FCPDMTVtraffic@fairfaxcounty.gov)

### What can I do to reduce the chance of being labeled an aggressive driver?

- Allow plenty of travel time
- Maintain an adequate distance from the vehicle in front of you
- Always use turn signals
- Always come to a full stop at red lights and stop signs
- Don't run yellow lights: slow down instead
- Let other drivers merge with you
- Focus on driving; limit cell phone and stereo use

- Use horn only for emergencies
- Never engage in rude faces/gestures with other drivers/motorists
- Extend common courtesy to other drivers at all times

## Honoring BZA Chair John Ribble

I was honored to thank the Board of Zoning Appeals Chairman John Ribble for his 35 years of service to the BZA. John has provided leadership and a strong commitment by serving the Mount Vernon and Fairfax County community since 1982.

## Superintendent Selection

Congratulations to Dr. Scott Brabrand for his selection as the new Fairfax County Public School System Superintendent. One of the biggest decisions facing the Fairfax County School Board is the appointment of the Chief Executive of FCPS. Dr. Brabrand is a former Fairfax County Public School System employee and was formerly Superintendent of the City of Lynchburg's School System. Dr. Brabrand and I worked very closely together for many years when he was the Assistant Superintendent in charge of the Bryant, Hayfield, Mount Vernon and West Potomac pyramid schools. He is an outstanding leader who will serve our communities well.

I commend the School Board on their selection and I look forward to a

strong collaboration between Dr. Brabrand and County Executive Ed Long. The Fairfax County Board of Supervisors faces a similar challenge in selecting a new County Executive, since Ed Long announced his second retirement from Fairfax County. Ed has been a passionate, analytical and dedicated public servant. I am sad to see him leave his post, but wish him all the best in his retirement. I know he will stay active and teach the craft of public administration to a new generation of public servants.

## Embark Discussion with Supervisor Storck

I will be hosting 3 meetings with community members to discuss the upcoming changes to the comprehensive plan in preparation to the Embark Richmond Highway. Each meeting will take place from 7:00-9:00 pm and I hope to hear your thoughts and concerns.

## Now Hiring Communications Director

We have a full time opening on our staff for a Communications Director. This person will serve as the communications manager and coordinator in a deadline-driven environment. Responsibilities include developing, implementing, and evaluating a communications plan. Leads the generation of online content that engages the community audience and leads to measurable action. Coordinates all communications with staff team and manages the master communications calendar. Activities include print, electronic, and social media communications with constituents, homeowner associations, businesses and boards. Develops a community ambassador and brand program.

### **Preferred Qualifications:**

Resident of the southeastern portion of Fairfax County, preferably Mount Vernon community. Bi-lingual, fluency in Spanish or other foreign languages welcomed. Strong professional writing and copy editing experience; experience with website content management; knowledge of principles and practices of marketing and public relations, and of social media best practices. Ability to multitask, work independently and meet deadlines. Ability to handle confidential information in a professional manner.

If you are interested, please send your resume and three writing samples to [mtvernon@fairfaxcounty.gov](mailto:mtvernon@fairfaxcounty.gov) by June 25.

## School's Out for Summer!

Now that FCPS is out for summer recess, make sure your children stay active and engaged. The Fairfax County Public School System and the Fairfax County Park Authority have summer learning and activity programs so

children can exercise their mind and muscles so they are ready for a new school year in August.

## Back to the Bay

I was honored to attend and speak at the Back to the Bay event on Saturday, June 10th at Mason Neck State Park. It is because of the Chesapeake Bay Preservation Act, the Clean Water Act and other intelligent environmental regulations government has put in place that the Chesapeake Bay, Potomac River and our watersheds are improving. This family friendly event celebrates the nation's largest estuary, the Chesapeake Bay.

There are four easy ways you can help protect the health of the Bay.

- 1). Participate in a local watershed clean up event.
- 2). Use lawn fertilizers sparingly, the excess phosphorus can cause algae blooms, robing aquatic life of oxygen.
- 3). Install a rain barrel at your home
- 4). Scoop the poop - don't let pet waste enter our watersheds; up to a third of harmful bacteria can come from dog waste.

## Fairfax County's 275th Anniversary

This year, we will celebrate the [275th Anniversary of Fairfax County](#). You can catch [other concerts](#) hosted at several Fairfax County parks this summer!

## Summer Pet Safety

The sizzling temperatures are here! Do not leave your pets in your car, even for a few minutes. In June to September of last year we had 22 confirmed cases of dogs left in cars in Fairfax County, including one death.

Rolling down the windows has little effect on the temperature inside a car. High temps can cause organ damage and even death for our furry friends. Call 9-1-1 if you see a pet alone in a parked car on a hot day.

Pet owners are urged to remember the following tips:

On a warm day, temperatures can rapidly rise to dangerous levels. If you see an animal in distress in a parked car, contact police. Even with the windows slightly open, the temperature in a car on a 93-degree day can soar to 125 degrees in just 20 minutes and approximately 140 degrees in 40 minutes.

If your pet shows any of the following signs contact your veterinarian immediately:

- heavy panting
- glazed eyes
- rapid heartbeat
- vomiting
- fever
- dizziness
- restlessness
- excessive thirst
- profuse salivation

Take steps to reduce the animal's body temperature; apply ice packs or cold towels to the head, neck and chest, provide water and ice cubes for hydration, and move the animal into the shade or air-conditioning.

## Serve Your Community! Vacancies on Boards, Authorities and Commissions

The Board of Supervisors has several boards, authorities, commissions, and committees that provide an excellent opportunity for civic education and engagement. Each Board member has a representative on the committees. Current vacancies for the Mount Vernon District are:

- **Barbara Varon Volunteer Award Selection Committee**

Reviews nominee applications and selects the recipient of the Award

- **A. Heath Onthank Award Selection Committee**

To grant recognition for accomplishment of outstanding worth in advancing and improving public service in County by merit system employees.

- **Health Care Advisory Board**

To be responsible for a periodic review of a comprehensive health plan for the County; to initiate an on-going health care information process in coordination with local, regional, State and Federal agencies.

Volunteering on these committees increases citizen participation in our district. If you are interested in serving on a county board, authority, commission, or committee (BAC), please provide a current résumé to [Donna.Slaymaker@fairfaxcounty.gov](mailto:Donna.Slaymaker@fairfaxcounty.gov).

For more information, please download the [brochure](#) for a brief guide to BACs, or learn more on the county website [here](#).
