

Alcohol Policy – Park and Facility Listing

An approved PA Alcoholic Beverage Use Application, associated rental contract or permit, and appropriate VA ABC license are required for any park uses involving alcohol.

<p>There are many special use facilities within parks that could attract events that may request the use of alcohol that may not be specifically listed below. The FCPA will assess requests for parks and facilities not listed on a case by case basis considering such things as mission alignment, park location, capacity, buffer areas, presence of pre-existing potential inherent dangers, culturally or naturally sensitive areas, vehicular related items such as parking egress access, availability of public transportation and site layout related to flow of traffic, as well as the availability of restrooms, utilities and staffing. Following staff review and recommendation, the Park Authority Executive Director will have final approval.</p>
