For applicants required to include a letter of approval from the property owner(s) as part of their application, the text of the acknowledgement must be included in the letter and the letter must be signed by the owner(s).

I (we), certify that I (we) have paid in full for the installation of floodproofing measures at the above-named property. As a condition of accepting the reimbursement allowance, I (we), if requested by NVSWCD, will permit NVSWCD to verify the installation without delay as a condition of receiving the reimbursement allowance.

Further, as a condition of accepting the reimbursement allowance, I (we) agree to accept full responsibility for operation and maintenance of the floodproofing measures funded in part by this Assistance program. I (we) agree to hold the County, NVSWCD, and their agents and employees harmless for and waive any and all damages, accidents, casualties, occurrences or claims which might arise or be asserted against the County, NVSWCD, and their respective agents and employees, related to the construction, installation, operation, presence, existence, or maintenance of the floodproofing measures.

Per Zoning Ordinance 5104.3.A, I (we) further confirm that the flood mitigation practice does not obstruct, interfere with, or change the drainage of land or adversely impact neighboring properties.

This waiver is applicable only to claims related to the floodproofing measures and any services provided by the above-named entities or individuals in association with the Flood Mitigation Assistance Program.
