

Fairfax County's strategic plan lays out a community-based vision for the next 10 to 20 years featuring strategies and metrics to advance that vision over the next 3 to 5 years. Planning will be prioritized to help all community decision-makers and residents understand where we're going together, how we're going to get there and what we plan to achieve.

Cultural and Recreational Opportunities

All residents, businesses and visitors are aware of and able to participate in quality arts, sports, recreation and culturally enriching activities.

Economic Opportunity

All people, businesses and places are thriving economically.

Effective and Efficient Government

All people trust that their government responsibly manages resources, provides exceptional services and equitably represents them.

Empowerment/Support for Residents Facing Vulnerability

All residents facing vulnerability are empowered and supported to live independent lives to their fullest potential.

Health and Environment

All people can attain their highest level of health and well-being within a healthy sustainable environment.

Housing and Neighborhood Livability

All people live in communities that foster safe, enjoyable and affordable living experiences.

Lifelong Education and Learning

All residents at every stage of life are taking advantage of inclusive, responsive and accessible learning opportunities that enable them to grow, prosper and thrive.

Mobility and Transportation

All residents, businesses, visitors and goods can move efficiently, affordably and safely throughout the county and beyond via our well-designed and maintained network of roads, sidewalks, trails and transit options.

Safety and Security

All people feel safe at home, school, work and in the community.
