Gabrielson Garden Bridge Update

My office has been working with the community and the Fairfax County Park Authority to replace the bridge, commonly referred to as the Gabrielson Garden Bridge, over the Difficult Run Stream. Community meetings took place on December 13, 2018, and April 1, 2019. I am pleased to report that progress has been made on securing the land rights and funding was identified to replace the bridge. Construction is anticipated to begin in early 2020, and completion is anticipated in late spring/early summer 2020. Below is a link to the Fairfax County Park Authority web page, which contains a brief history of the project and the PowerPoint presentations that were presented at the community meetings.

Board of Supervisors & School Board to Form Joint Environmental Task Force

On Tuesday, April 2, 2019, the Fairfax County Board of Supervisors and the Fairfax County School Board held a joint meeting to discuss ways to collaborate on initiatives related to climate, energy, and the environment. Resulting from this meeting, a joint committee will be formed called the Joint Environmental Task Force (JET). Members of both the Board of Supervisors and the School Board will serve on this committee. The JET committee is projected to be in place indefinitely.

[Join Your Local Library Friends Group](#)

Library branches of the Fairfax County Public Library are aided by their Friends group. These individual groups support, assist, and promote library activities for the local community. Every Friends group makes valuable contributions to the entire library, as well as their own branch. Friends activities vary depending on the needs of the individual community. Most Friends groups hold book sales, which help the library acquire books and equipment as well as sponsor programs and exhibits beyond the library's operating budget. You can become actively involved or simply have the satisfaction of supporting a worthwhile cause.

Upcoming Meetings:

Planning Commission Meeting -

The Planning Commission will meet on **Wednesday, April 24, 2019** at 7:30 p.m. at the Fairfax County Government Center (12000 Government Center Parkway, Fairfax, VA 22035) in the Board Auditorium. The meeting will be broadcast live on [Channel 16](#). Meetings are also recorded on videotapes and audiocassettes, both of which are available for review at the Planning Commission office, by appointment. There is one Sully case on the [agenda](#) for decision only. More information is below.

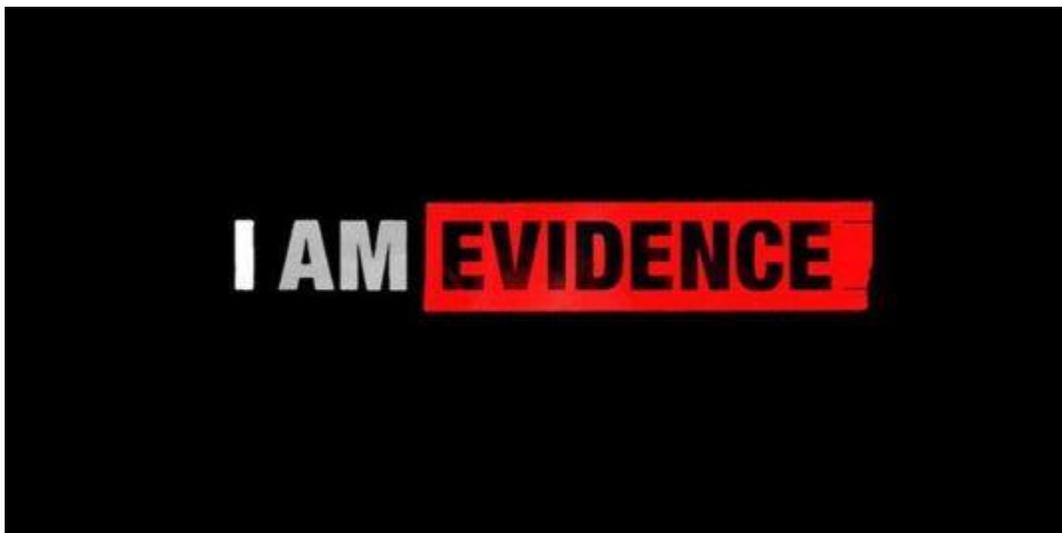

PA 2018-III-DS1 -

On May 15, 2018, the Board of Supervisors authorized the consideration of Comprehensive Plan Amendment 2018-III-DS1, for Land Unit J of the Dulles Suburban Center, generally located in portions of Tax Maps 43-2, 43-4, 44-1, 44-2, 44-3, and 44-4 in the Sully Supervisor District.

The majority of Land Unit J is part of Westfields. Westfields developed a master plan for the office park that contemplates residential development. Information provided by Westfields from that master plan was used as the basis for evaluation of the proposed Plan amendment. The Plan amendment would replace planned

non-residential uses in portions of Land Unit J with an option for approximately 4,250 new residential units (comprised of approximately 1/3 single-family attached units, and 2/3 multi-family units) and the addition of approximately 200,000 square feet of retail uses. The proposed Plan amendment would remain within the currently planned intensity of .50 FAR. Planning staff does recommend this item for plan amendment. To view the staff report, [click here](#).

Video: Spring Into Safety! Know Two Ways Out to Escape Fire

It is the middle of the night and you are suddenly awakened by your smoke alarm. You notice some smoke in your bedroom. What do you do next?

The answer is easy: Get Out and Stay Out!

However, before that occurs it is important you develop, and practice, a home fire escape plan! "Spring Into Safety" this week and develop a home fire escape plan. The video above, from our partners in safety at the United States Fire Administration, will help guide you. For more information, [click here](#).

The Green Column

Regional Approach to Glass Recycling Leads to Creation of the Purple Can Club

In Northern Virginia, glass collected in curbside recycling bins is sent to recycling facilities where it eventually ends up in landfills. During the transportation process to the facility, glass is broken and becomes unrecoverable. To tackle this challenge, these jurisdictions have committed to collecting glass via purple glass-only drop-off containers and bringing it to Fairfax County's "Big Blue" processing plant, where it will be recycled for use in a variety of projects.

All colors of emptied glass bottles and jars are acceptable materials for glass drop-off. Food residue from jars should be rinsed out before placing glass in the bins. Items that are not accepted include: food, plastic bags, lamps or light bulbs, ceramics, porcelain, mirrors, windows, and glass sheets.

Fairfax County residents and businesses are encourage to bring glass to purple drop-off centers at the [I-66 transfer station and I-95 landfill complex](#).

Meet Frankie!

Age: 2y

Gender: Male

Color: Brown

Spayed/Neutered: Yes

Size: Large

We. Love. Frankie! He is a big, strong, handsome pup and doggy playgroup superstar! He took a little time to get used to shelter life, but then he realized that he gets to go on regular walks, play lots of fetch, and even do some supervised rough-and-tumble with other friendly dogs. What more could a dog want? He is a high-energy dog who would make a great adventure buddy. He needs a little work on his leash manners, but the shelter behaviorist has already started working with him on that and he is proving to be a smart doggo. Are you looking for a playtime partner for you and/or your resident pup? Come visit Frankie! And bring any resident pups for a doggy

introduction. For more information about Frankie, contact the Fairfax County Animal Shelter at 703-830-1100 or email AnimalShelter@fairfaxcounty.gov.
