

A message from Kathy Smith

The Fairfax County Department of Planning and Zoning will hold a public information meeting on non-office building repurposing on Monday, June 25, 2018 at 7:00 p.m. at the Government Center (12000 Government Center Parkway, Fairfax, VA 22035) in conference rooms 9/10. The retail markets are changing and the County is looking for ways to allow empty storefronts to be turned into other uses. More information about this event is below in the "Reminders" section.

In this week's newsletter you will find an update on the Transform I-66 Outside the Beltway project, information about a public meeting on the airport aircraft noise contour map, and much more.

Sincerely,

Kathy

Reminders!

Public Informational Meeting on Non-Office Building Repurposing -

Date: Monday, June 25, 2018

Time: 7:00 p.m.

Location: Fairfax County Government Center (12000 Government Center Parkway, Fairfax, VA 22035) in Conference Rooms 9/10

Come learn how retail markets are changing and discuss how alternative uses may be used to fill existing retail spaces. For more information about non-office building repurposing, click [here](#). If you have questions about the event, contact Michael Lynskey at 703-324-1204 or by email at michael.lynskey@fairfaxcounty.gov.

Transform I-66 Outside the Beltway Project Update

Construction activities for a new park access road at the Fairfax County Park Authority's (FCPA) Ellanor C. Lawrence Park began on Monday, June 18, 2018. The new road is needed to provide access to the park when the existing traffic signal and entrance from Route 28 are eliminated. As part of the park access, and in conjunction with the project, roadwork will also include a new Poplar Tree Road across Route 28 connecting to the new park access and to Stonecroft Boulevard; that is expected to get underway later this year. This work is part of the Virginia Department of Transportation's (VDOT) Transform 66 Outside the Beltway Project. You can find information regarding this project online at [Transform 66](#).

FCPA has been working closely with VDOT and its Design-Build Contractor, Ferrovial Agroman US Corp, Allan Myers VA, Inc. (FAM Construction). Tree clearing will be visible on the west side of Route 28 and from the existing parking

lot north toward Stonecroft Boulevard. Actual construction of the access road is not scheduled to begin until later this year. There are no scheduled impacts to the existing entrance from Route 28, the ball fields, or parking lots during this phase.

Public Workshop on Airport Aircraft Noise Contour Map Update

The Metropolitan Washington Airports Authority (MWAA) will hold two public workshops regarding the [Washington Dulles International Airport Aircraft noise contour map update](#). These workshops will provide an overview of the study, including airfield plans, existing airport operations and basic information regarding aircraft noise and noise modeling standards.

Wednesday, June 27, 2018

6:00 to 8:00 p.m.

Washington Dulles International Airport Office Building

45045 Aviation Drive, Sterling VA

2nd Floor Conference Room

Free parking available in front of the building

Thursday, June 28, 2018

6:00 to 8:00 p.m.

Rock Ridge High School Cafeteria

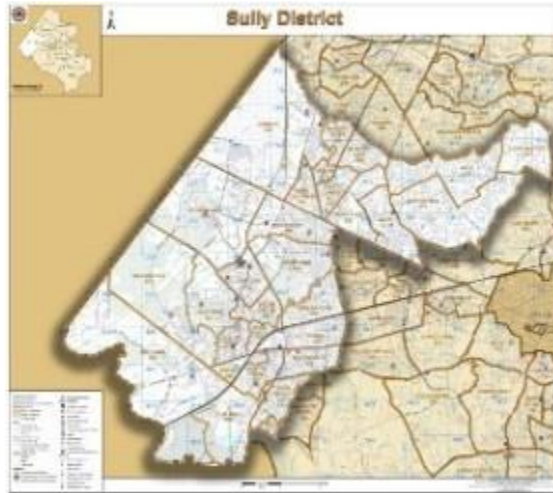

43460 Loudoun Reserve Drive, Ashburn, VA

Free parking available in the front and rear of building

A noise contour map update for Dulles International will help guide local land use planning in the immediate geographic vicinity of the airport. The maps are an update to contours prepared in 1993 that serve as the basis for the Loudoun and Fairfax counties' Airport Impact Overlay Districts zoning. This helps ensure compatible land uses surrounding the airport. Public workshops include an opportunity to visit with subject matter experts involved in the effort.

Individuals are welcome to [submit](#) questions and comments during these workshops, or at any time online until the conclusion of this process in early 2019.

Recent Cases:

Short-Term Lodging Zoning Amendment -

At the June 19 Board of Supervisors meeting the Board voted to defer the public hearing for the Short-Term Lodging Zoning Amendment to July 10, 2018 at 4:30 p.m. following a deferral by the Planning Commission on this amendment to the June 21, 2018 Planning Commission meeting. The Planning Commission recommended approval. For more information on this particular amendment project, please visit the link provided [here](#).

Upcoming Meetings:

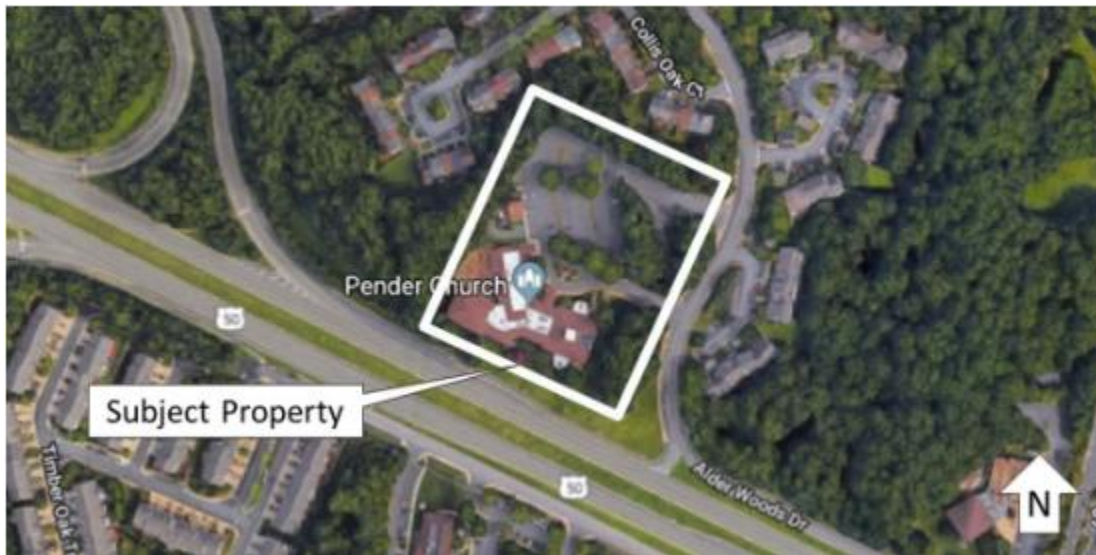

Planning Commission Meeting -

The Planning Commission will meet on June 28, 2018 at 7:30 p.m. at the Fairfax

County Government Center(12000 Government Center Parkway, Fairfax, VA 22035) in the Board Auditorium. The meeting will be televised live on Channel 16. Click [here](#) to access the agenda. There one Sully District item on the agenda. More information is below.

PCA 91-Y-006/SE 2018-SU-001 (Trustees of Pender United Methodist Church)

-

Planning Commission will hold a public hearing on PCA 91-Y-006/SE 2018-SU-001 (Trustees of Pender United Methodist Church). The proffer condition amendment (PCA) would enable building additions to the existing church facility and the construction of a pavilion thereby increasing the on-site Floor Area Ratio (FAR) from .21 to .25 (the maximum permitted level in an R-3 Zoning District). The special exception (SE) application would continue the existing religious facility and child care center uses, while allowing a slight increase in child care center enrollment from 75 children (as approved through special permits approved by the Board of Zoning Appeals) to 99 children. For more information on the case, click [here](#). Staff with the Department of Planning and Zoning (DPZ) are recommending approval of the application.

NVTA Funds Nine Transportation Projects in Fairfax County

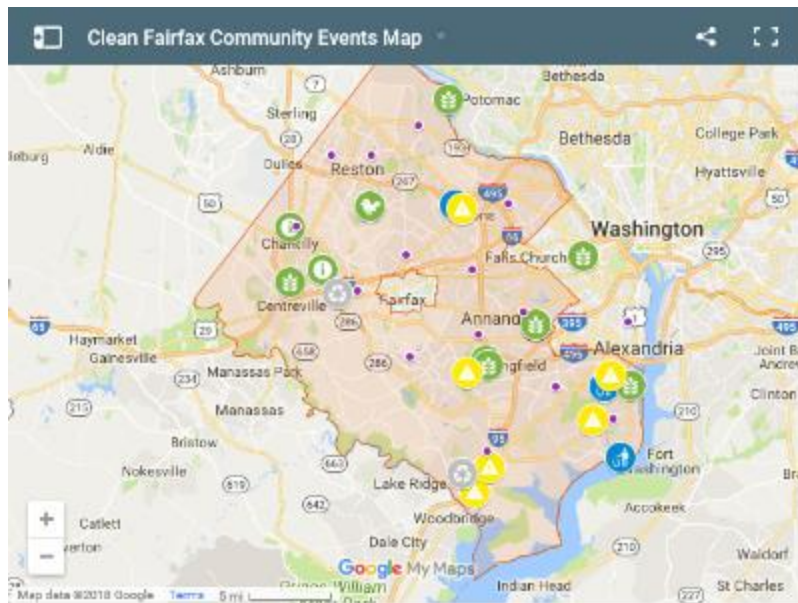

Fairfax County congratulates the [Northern Virginia Transportation Authority](#) (NVTA) on the adoption of its first six-year transportation program which is designed to provide congestion relief throughout the region. This milestone is a result of collaboration and coordination of Northern Virginia jurisdictions, transportation agencies, partners, and Northern Virginians, who participated in the selection of projects that will improve the quality of life in the region.

With a total of 44 regionally significant, multimodal transportation projects, the program includes funding for nine projects within Fairfax County. This accounts for \$531 million or 41.32 percent of the \$1.285 billion program.

Through three previously adopted funding programs, the Authority has funded 78 transportation projects, valued at more than \$690 million, including many throughout Fairfax County.

Animal Shelter Corner

Meet [Cyba](#) and [Colt](#)!

Meet Cyba and Colt! Cyba is Colt's mom, and they are best friends and need to be adopted together. Cyba is 13 years old but don't let that fool you - she likes to try and figure a way out of her yard! She is very outgoing and is really easygoing. Colt is seven years old and a little more reserved than his mom, but still very friendly. Colt is scared of thunder but cover him (or his crate) with a blanket and that helps. Or maybe snuggle up under a blanket with him and Cyba on the couch during storms?! That sounds cozy. Come meet these two great dogs today! For more information about Cyba and Colt, please contact the Fairfax County Animal Shelter at 703-830-1100 or by email at animalshelter@fairfaxcounty.gov.
