FCDOT Public Information Meetings

The [Fairfax County Department of Transportation \(FCDOT\)](#) will hold two public information meetings on the [Fairfax County & Franconia-Springfield Parkways Alternatives Analysis and Long Term Planning Study](#) to seek input on future corridor enhancements for the Parkways, based on residents' personal experiences and desires for multimodal access, connectivity, and overall operations.

- **Tuesday, October 9, 2018, at Navy Elementary School, 3500 West Ox Road, Fairfax**
- **Thursday, October 11, 2018, at Sangster Elementary School, 7420 Reservation Drive, Springfield**

The meetings will begin with a presentation at 7:00 p.m., followed by a question and answer period at 7:30 p.m., and time for public input activities at 8:00 p.m. Both meetings contain the same agenda and format so that people have an opportunity to participate all along the corridor.

The Fairfax County & Franconia-Springfield Parkways Alternatives Analysis and

Long Term Planning Study, which builds upon the earlier VDOT Existing Conditions Analysis (2016), is intended to enhance and update future guidance for how the Parkways should evolve, over time, in the Fairfax County Comprehensive Plan. Discussion and feedback during these meetings will help county staff to develop alternatives, including traffic mitigation strategies and multimodal connections, for evaluation, considering forecasted traffic conditions and future planned land uses.

Public input activities during these meetings will also be made available for online participation for 30 days, from October 11, 2018 through Friday, November 9, 2018.

Recent Cases:

RZ/FDP 2018-SU-008 & PCA 2009-SU-020-03 -

K. Hovnanian Homes at Pender Oaks LLC filed applications in order to rezone the 18.07-acre subject site from the Planned Development Commercial (PDC) district to the Planned Development Housing 12 (PDH-12) district. Community features include a tot lot, pool, and bath house/club house. Staff recommend approval of the zoning applications. For more information on the applications, click [here](#). Animal Shelter Corner

Meet Honey!

Age: 2y 3m

Gender: Female

Color: Brown

Spayed/Neutered: Yes

Size: Large

What's sweeter than Honey? Not much that we can think of! Honey is an outgoing, happy girl who loves to play, play, play! Her favorite game is whatever you're up for. She's very good at fetch and even occasionally gives the ball back. She also LOVES getting attention from her people and gets all loose and wiggly when you're petting on her. She may even try to climb into your lap to get a full dose of affection! She's not a big fan of being at the shelter and makes it well known as she barks at everyone from her kennel. But once you get her out and about, she's an absolute doll! She is still a young pup who hasn't learned a lot of manners in her 2 years on this planet, so the Friends of the Fairfax County Animal Shelter have sponsored two free training sessions for her adopters to get started off on the right paw! Just think how awesome it will be to walk in your front door, yell "Honey, I'm home," and have this beauty greet you with a big, bright smile! For more information about Honey, contact the Fairfax County Animal Shelter at 703-830-1100 or by email at animalshelter@fairfaxcounty.gov.
