A message from Kathy Smith

As temperatures begin to rise and , the Virginia Department of Transportation (VDOT) is starting to ramp up their maintenance and repair operations. If you need to report any potholes, damaged or down signs, or other issues to VDOT use this link [here](#).

Potholes occur most often in the winter when seeping moisture freezes and expands, causing the road to crack. Traffic driving over the roads loosens the pavement further, and it eventually crumbles, causing a pothole.

If you see a pothole, please report the problem to VDOT online or by calling 1-800-FOR-ROAD (1-800-367-7623). VDOT will investigate each report and will schedule repairs as soon as possible.

You can also contact me at supervisormith@fairfaxcounty.gov or call my office at (703) 814-7100 to get help with this issue or any others. We look forward to hearing from you!

Your Comments Needed For Police Assessment

The Fairfax County Police Department is scheduled for an on-site assessment as part of a program to achieve accreditation by verifying it meets professional standards. Administered by the Commission on Accreditation for Law Enforcement Agencies Inc. (CALEA®), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session on April 11, 2016. The public session will be held at the Fairfax County Government Center, 12000 Government Center Pkwy, Fairfax, VA at 5 p.m. in the main level Board Auditorium.

Agency employees and the public are also invited to offer comments by calling (703) 246-2384 on April 11, 2016 between the hours of 9:30 a.m. and 11:30 a.m. Comments will be taken by the Assessment Team.

Telephone comments as well as appearances at the public information session are limited to 10 minutes and must address the agency's ability to comply with CALEA's standards. A copy of the standards are available at the Fairfax County

Police Headquarters building. The Accreditation Manager, Ms. Camie King can be contacted at 703-246-2793.

Anyone wishing to submit written comments about the Fairfax County Police Department's ability to comply with the standards for accreditation may send them to the Commission on Accreditation for Law Enforcement, Inc. (CALEA®), 13575 Heathcote Blvd., Suite 320, Gainesville, VA, 20155 or www.calea.org.
