Trick or Treat! Your Guide to Halloween 2018

It is time for scary, silly, and all kinds of costumes in all corners of our community. Here are a few things to know about Halloween in Fairfax County.

When is Trick-or-Treating?:

Some communities, cities, and counties, designate a day other than October 31 for trick-or-treating. Fairfax County Government does NOT set a different date. Halloween is Wednesday, October 31. Your homeowners associations or apartment complex may set times for events, but neighborhood trick-or-treating is generally the evening of October 31.

Safety Tips for Trick-or-Treating:

1. Children should only visit homes that have their porch lights on or active Halloween decorations.
2. Inspect your children's candy before they eat it.

3. Make sure children know their phone number and address - and they should be able to provide this information to a police officer in an emergency or if lost.
4. Stay on sidewalks and avoid walking in streets (if possible).
5. And when trick-or-treating, use battery-powered lights, keep your devices charged and pick a place to meet if you get lost.

Nextdoor Treat Map:

We participate on the free, private neighborhood social media network called Nextdoor. If you are a member, which many people are in the county, you can mark your home as trick-or-treat friendly. Additionally, our Police Department is participating in many "Trunk or Treat" events; check the [Police Department Nextdoor page](#) for details.

VDOT: Incident Management Open House

Date: Saturday, November 10, 2018

Time: 10:00 a.m. to 2:00 p.m.

Location: VDOT Northern Virginia District Office (4975 Alliance Drive, Fairfax, VA 22030)

Every day, incidents happen across the National Capital Region. There's a team of agencies who work together to clear the roads and get you moving again.

Meet the team of responders from VDOT, law enforcement, fire and rescue, towing, and more at the Incident Management Open House. **Admission is free.**

An outdoor touch-a-truck exhibit with 50+ pieces of apparatus will feature a simulated crash scene to help the public see an incident from the perspective of first responders who work in the roadway every day. Attendees can watch live demonstrations of patient extrication, towing recovery, drone operations, and tree removal. For more information, and to register, click [here](#).

County Seeks Community Input on Funding Pool Priorities

Fairfax County is seeking public input in an effort to validate community priorities for committing county funds to address human services needs. The county's Consolidated Community Funding Pool (CCFP) is an allocation of funds earmarked by the Fairfax County Board of Supervisors to be administered to local nonprofits and community-based organizations as an investment in programs and services that fill identified needs within communities across the county. Funding is awarded on a two-year cycle.

In preparation for the next funding cycle (FY2021-2022), beginning July 1, 2020, county staff is gathering insight and feedback from the community on the current CCFP priority areas:

- Housing
- Literacy/Educational Development/Attainment
- Financial Stability

- Health
- Support/Community/Social Networks
- Positive Behaviors and Healthy Relationships

Your feedback is important. Please take a moment to share your thoughts and opinions by taking the [Community Feedback Survey online](#). The survey will be available until **Saturday, December 15, 2018**. All responses will be anonymous.

Video: Got to Smoke It? Sink It or Soak It!

Improperly discarded smoking materials is one of the leading cause of fire in Fairfax County. On May 2nd alone there were three major, multiple alarm fires caused by improperly discarded smoking materials. Monetary damages for those three fires was in excess of \$13 Million!

These fires were totally preventable! If you smoke, please take a moment to learn how to prevent starting a fire.

5 Things to Know from the 2018 Youth Survey

E-cigarettes, cyberbullying, and depression are among the issues affecting our kids in 2018. The question is, how much is the impact? And, of course, what can we do to help our kids?

[Read Youth Survey Results Highlights Presentation](#)

Three to Succeed:

You can actively help a teen to succeed and avoid/reduce risk behaviors. The [Three to Succeed](#) analysis in the Youth Survey shows that teens having at least three of these six positive factors and support from their community can help them succeed and flourish.

- Having high personal integrity.
- Performing community service.
- Having teachers recognize good work.
- Having community adults to talk to.
- Participating in extracurricular activities.
- Having parents available for help.

Five Top Takeaways from the 2017-2018 Youth Survey:

1. **E-cigarette use more than doubled in just one year.** Past 30-day e-cigarette use (9.7%) more than doubled since 2016 and continues to be more prevalent than regular cigarette use (2.6%).
2. **Marijuana use continues to remain at relatively low levels.** Lifetime (17.8%) and past 30-day (9.5%) marijuana use has plateaued after decreasing since 2013.
3. **Cyberbullying rates continue to drop.** Reported rates of being a victim of cyberbullying (9.7%), as well as being an aggressor (4.3%), continued to decrease in 2017.
4. **Students are eating fewer fruits and vegetables.** The number of youth who eat five or more fruits and vegetables per day (22.5%) is at its lowest rate since 2010.

5. **Depressive symptom rates increased, but remain low.** However, the prevalence of overall depressive symptoms (27.3%) for 8th, 10th, and 12th grade students increased from its lowest rate in 2016. 6th graders reported prevalence of depressive symptoms (22.3%) at its highest rate since 2011.

Animal Shelter Corner

Meet [Pumpkin](#) & [Spyder](#)!

Pumpkin is a pretty good name for this guy. He's orange, he's round, and he weighs 16 pounds! He and his best friend Spyder were surrendered to the Fairfax County Animal Shelter when their owner could no longer care for them due to an allergy in the home, and the shelter is determined to find them a home together! They've lived together their whole lives and got really stressed

when they were separated. Both boys are five and a half years old, have perfect litter box habits, are social, love to play, and have lived with senior citizens AND kids. Basically they're perfect! Pumpkin is more of a lap cat and Spyder is the more playful of the two, so you can have the best of both worlds if you adopt this pair!!

For more information about Pumpkin and Spyder contact the Fairfax County Animal Shelter at 703-830-1100 or email AnimalShelter@fairfaxcounty.gov.
