Additional Time to Establish Use or Commence Construction for Special Exception SE 2017-SU-008, Vigario Management Corp. (Sully District)

The Board approved eighteen months additional time for SE 2017-SU-008 to April 10, 2021.

**Background:**
On April 10, 2018, the Board of Supervisors approved Special Exception SE 2017 SU-008, subject to development conditions. The application was filed in the name of Vigario Management Corp to permit a fast food restaurant with drive through window in highway corridor overlay district and waiver of minimum lot size requirements. The property is zoned C-8, HC, SC, and WS and is located at 13839 Lee Highway, Tax Map 54-4 ((1)) 103 and 103B.

Fast Food Restaurants in a Highway Corridor Overlay District, and Waiver of Minimum Lot Size Requirements, which are Category 6 special exception uses, are permitted pursuant to Section 9-611 and 9-610 of the Fairfax County Zoning Ordinance. The Special Exception was approved with a provision that the use be established, or construction be commenced and diligently prosecuted as evidenced by the issuance of a Non-Residential Use Permit for the fast food restaurant with a drive-thru within 18 months of the approval date unless the Board grants additional time. The development conditions for SE 2017-SU-008 are included as part of the Clerk to the Board’s letter contained in Attachment 2.

On October 9, 2019, the Department of Planning and Development (DPD) received a letter dated October 8, 2019, from Sara Mariska, agent for the Applicant, requesting eighteen (18) months of additional time (see Attachment 3). While the current expiration date is October 10, 2019, the approved Special Exception will not expire pending the Board’s action on the request for additional time.

Staff has reviewed Special Exception SE 2017-SU-008 and has established that, as approved, it is still in conformance with all applicable provisions of the Fairfax County Zoning Ordinance. Further, staff knows of no change in land use circumstances that affects compliance of SE 2017-SU-008 with the special exception standards applicable to this use, or which should cause the filing of a new special exception application and review through the public hearing process. Finally, the conditions associated with the Board’s approval of SE 2017-SU-008 are still appropriate and remain in full force and effect. Staff believes that approval of the request for eighteen (18) months additional time is in the public interest and recommends that it be approved.

Public Hearings

Public Hearing on SE 2019-SU-019 (Milestone Tower Limited Partnership IV D/B/A Milestone: T-Mobile) to Permit a Telecommunication Facility, Located on Approximately 12.26 Acres of Land Zoned R-1 and WS (Sully District)

Supervisor Smith made a motion to defer the public hearing for SE 2019-SU-019 to a date certain of February 11, 2020 at 3:30 p.m. The motion carried by unanimous vote.

Background:
This property is located adjacent to 4920 Stringfellow Road, Centreville, VA 20120. Tax Map 55-1 ((3)) 45, 46, and 46A. The applicant, Milestone Tower Limited Partnership IV d/b/a Milestone and T-Mobile has filed for review by the Planning Commission to determine whether a proposed telecommunications facility satisfies the criteria of location, character, and extent pursuant to Sect. 15.2-2232 of the Code of Virginia and requests a Special Exception approval to construct and operate a wireless telecommunications facility and associated equipment in a fenced compound area.

County staff recommends that the Planning Commission find that the facility proposed under 2232-Y19-18 satisfies the criteria of location, character, and extent as specified in Section 15-2.2232 of the Code of Virginia, and therefore is substantially in accord with the provisions of the Comprehensive Plan. Staff recommends approval of SE 2019-SU-019, subject to the proposed development conditions contained in Appendix 1 of the Staff Report.

Public Hearing on a Proposed Zoning Ordinance Amendment Re: Lot Line and Lot Width

Supervisor Smith made a motion to adopt the proposed Zoning Ordinance Amendment entitled Lot Line and Lot Width, as advertised and as set forth in the Staff Report dated October 29, 2019. The motion carried by unanimous vote.

Background:
The proposed amendment is on the 2019 Zoning Ordinance Amendment Priority 1 Work Program and amends the definition of lot line and clarifies how lot width is measured on through lots, reverse frontage lots, and lots with curved frontage. The purpose of this amendment is to provide clarity and consistency regarding the methodology used to determine lot lines and measure lot width. Specifically, the amendment:

1. Deletes the portion of the lot line definition which states that “[w]here a lot line is curved, all dimensions related to said lot line shall be based on the chord of the arc”. As a result and based on the lot width definition, lot width is measured at a line parallel to the front lot line at a distance equal to the minimum required front yard on all lots, regardless of whether the frontage of the lot has a linear or curvilinear orientation;
2. Revises the lot width definition to clarify that: On reverse frontage lots, lot width is measured in the yard facing the local street; and On through lots, lot width may be measured from any street line.
