Location: 6744 Gravel Avenue, Alexandria, VA 22310 at the non-profit called America's Adopt a Soldier. Enter at the Fleet Industrial Park entrance closest to Beulah Street that parallels Beulah. Door is adjacent to Beulah Street

Welcome & Introductory Remarks

Sandy Collins

Opportunity for Comments from the Public

Approval of the Minutes of the September 25, 2023 Meeting

Findings on Impacts from Members Reviewing Consultant Reports and Staff Summaries

Findings from review of Stream Restoration projects spreadsheet and sediment reduction estimates from Charles Smith, cost per ton of sediment removed for those projects vs cost per sediment removed currently provided by Accotink Lake.

Findings on Relevance of the USGS Study to Staff's Finding that Most of Sediment Not Captured by the Lake Will be Caught within the Downstream Accotink Creek Floodplain and Contribution of Lake Accotink in the sediment balance, Ongoing Sedimentation in Gunston Bay

Findings on Process from Members Reviewing the Dredging Alternatives Process

Deadlines - Task Force's Ultimate "Findings Report" will be presented to the Board of Supervisors at their last meeting of 2023 on December 5th, with a more detailed presentation at the Board Environmental Committee on December 12th.

Each Subcommittee should be prepared to present a draft of their report which will ultimately be included in the Findings Report at the Task Force Meeting scheduled for November 6th, with (hopefully) a final Subcommittee Report to be presented at the full Task Force Meeting on November 27th.

A final vote on the Findings Report will be scheduled for the Task Force Meeting on December 4th.
