FAIRFAX COUNTY'S OPIOID AND SUBSTANCE USE TASK FORCE AT A GLANCE

The Task Force uses a collaborative, cross-systems approach to combat the opioid epidemic's impact in Fairfax. The select highlights represent Task Force activities from July 1, 2020 - June 30, 2021 unless otherwise stated. Note that the COVID-19 pandemic impacted many aspects of the Task Force's activities, including program capacity and demand for services.
