What constitutes a quorum?

Is it half the committee plus one additional member?

From Soledad Portilla to Everyone: 06:58 PM

Yes 50%+1

From mary paden to Everyone: 07:05 PM

I applied to be on the committee and was relegated to a nonvoting subcommittee with no explanation.

the first sentence is partronizing to mobile home owners. WHO determines their success?

bi monthly is not enough., Development is happening now.

From Dan Lagana to Everyone: 07:08 PM

The slide reads "Draft Charter," are we voting to accept the charter tonight?

From Roni Robins to Everyone: 07:09 PM

I think the we all need some time to review the charter and provide comments. I agree that there are at best some semantic concerns... I think the issue is to ensure safe affordable home options which means it is important to that policy and regs should be mutually beneficial to residents and park owners.

From Dean Klein, Fairfax County to Me: (Direct Message) 07:10 PM

are we translating chat comments now?

From Soraya Stonely - Spanish Interpreter to Me: (Direct Message) 07:10 PM

From David Levine/Good Shepherd Housing to Everyone: 07:32 PM

Mobile home owners who own the land under their home—either as a lot or in cooperative ownership with others in the community— CAN build equity and even get regular long term mortgages rather than the equival ant if car loans.

Carla Claire mentions: In the Audubon area, the majority of the homes, not the land.

Mary Paden dice: Los propietarios de casas móviles que son propietarios de la tierra debajo de su casa, ya sea como un lote o en propiedad cooperativa con otros en la comunidad, PUEDEN acumular capital e incluso obtener hipotecas regulares a largo plazo en lugar del equivalente en préstamos para automóviles.
