TYPES OF BICYCLE RIDERS IN FAIRFAX COUNTY

TYPES OF BICYCLE FACILITIES IN FAIRFAX COUNTY

SHARED LANE MARKING (SHARROW)

Shared lane markings indicate a shared travel lane for bicycles and cars.

Motorists may legally cross the double yellow line in order to safely pass a person riding a bicycle, as long as the oncoming lane is clear.

STANDARD BIKE LANE

Bike lanes give bicycles and cars their own spaces, making it safer to pass legally.

BUFFERED BIKE LANE

Buffered bike lanes provide additional space between bicycles and cars. The extra space makes both cycling and driving more comfortable.
