

Alternative 3: Transformation

Alternative 3: Transformation completely re-imagines service in the Franconia-Springfield area, including all-day service from a series of local routes, “peak” (rush hour only) service to Metrorail Stations via feeder routes, and express route service to Tysons and the Pentagon. This alternative improves frequency, span of service, and provides new connections to City of Fairfax, George Mason University, Burke, and Kings Park.

Proposed Fairfax Connector Routes

- LC1, LC5, FD3, 401, EXP
- LC2, LC6, FD4, 402
- LC3, FD1, 396, CCV
- LC4, FD2, 400x, EXT

Additional Transit Service

- Fairfax Connector Routes
- 101, 159, 306
 - 109, 161
 - 151, 162
 - 152, 171
- Metrobus Routes
- 11Y, 17K, 18H, TAGS
 - 17B, 17L, 18J
 - 17G, 17M, 18P
 - 17H, 18G, REX

- Metrorail
- Blue Line
 - Yellow Line
 - Metrorail Station
- Virginia Railway Express (VRE)
- Manassas Line
 - Fredricksburg Line
 - VRE Station
