

County of Fairfax, Virginia

Project Update

Nicole Wynands &
Lauren Delmare
Fairfax County Department of
Transportation

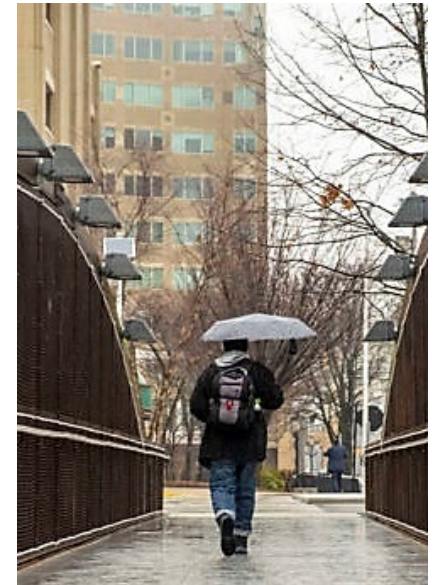

July 20, 2021

Agenda

- ActiveFairfax Vision/Goals/Objectives Update
- Safe Streets for All Program Plan Update
- ActiveFairfax: Next Steps
- Discussion

Active Fairfax Vision/Goals/Objectives Update

- Board Transportation Committee Presentation on May 25
- Feedback was overall positive
- Key themes during the discussion included
 - need for maintenance of existing system,
 - reduction of cost and faster implementation of new facilities;
 - protection of environmental resources;
 - focus on network connectivity and
 - funding prioritization
- Development of strategies and metrics planned for Phase Two

Safe Streets for All Program Update

- Draft plan presented to Board Transportation Committee on June 29:
- Feedback overall positive
- BTC members requested:
 - a branding and communication strategy
 - a context-sensitive approach to street design (no one size fits all)
 - A user-friendly crash data dashboard
 - Bike/ped facility usage data
 - Prioritization of the recommendations
 - Cost estimates

ActiveFairfax: Next Steps

- Carryover request for \$450,000 for Phase Two submitted
- \$50,000 task order will keep Safe Streets for All Program planning moving forward utilizing FCDOT funds
- Public engagement on ActiveFairfax vision, goals and objectives; Safe Streets for All program plan in August/September
- Documents available for public review on project website
- Virtual Public Information Meetings
- One small targeted group conversation per human service region
- Board action in fall 2021
