

ActiveFairfax Transportation Plan

Project Update
Transportation Advisory Commission
October 20, 2020

Nicole Wynands
Active Transportation Program
Fairfax County Department of Transportation

Project Background (cont'd)

- Some facilities and design recommendations are outdated and no longer meet federal and VDOT standards
- Lack of countywide pedestrian specific recommendations
- No specific guidance on active transportation safety and comfort
- Countywide Strategic Plan emphasizes need for active transportation facilities and safety improvements

Key Project Goals

- ✓ Reconcile the Bicycle Master Plan, Countywide Trails Plan and regional connectivity in Area Plans
- ✓ Coordinate with neighboring jurisdictions
- ✓ Identify and address missing links in the network and improve access to activity centers, schools, parks and transit
- ✓ Bring the planned regional bicycle and trails network recommendations up to current standards
- ✓ Reinforce Active Transportation as a key element to Placemaking
- ✓ Provide guidance for context sensitive street design

Key Project Goals (Cont'd)

- ✓ Develop an Active Transportation Toolkit that provides context sensitive guidance for the selection of pedestrian and bicycle facilities not included in the regional network
- ✓ Provide countywide guidance on pedestrian safety and comfort
- ✓ Provide implementation, policy and active transportation program recommendations and guidance
- ✓ Engage the community and other stakeholders throughout the Active Transportation plan update
- ✓ Develop input and guidance for updating the County's Comprehensive Plan
