Martha Elena Coello
Secretary
Phase I Dulles Rail Transportation Improvement District Commission
4050 Legato Road, Suite 400
Fairfax, VA 22033

RE: Dulles Rail Tax Commission – Phase I

Dear Ms. Coello:

The Petition and Virginia Code require that the Advisory Board provide you an “annual report on the transportation needs of the district and on the activities of the advisory board.” To that end, accompanying this letter, are the draft minutes of the Phase I Advisory Board meeting which was held on March 10, 2022. While these minutes are in draft form, they accurately represent the transportation needs of the district and the Phase I Advisory Board’s activities. This letter and draft minutes constitute the Phase I Advisory Board’s annual report to the Commission.

Moreover, the Phase I Advisory Board lacked a quorum at this year’s meeting. As a result, the Phase I Advisory Board cannot formally take a position on Staff’s recommendation that the tax rate be set at $0.09/$100 of assessed value. The draft minutes, however, accurately reflect that those members of the Phase I Advisory Board in attendance on March 10, 2022, supported the recommendation.

Sincerely,

[Signature]

Tom Fleury
Phase I Advisory Board Chair

5. Dulles Corridor Metrorail Project Update – Martha Coello
Ms. Coello provides an update on Phase 1 noting that the Old Meadow Road realignment is now complete. Other VDOT punch list work remains outstanding and is expected to be completed in 2022. The budget for Phase 1 remains at $2.98 billion.

Phase 2 is 100% complete. Package A represents the rail line and stations. Package B includes the rail yard at Dulles. Package A substantial completion was announced November 4, 2021. Package B substantial completion was announced December 1, 2021. The overall budget for Phase 2 is $2.778 billion with $2.551 billion expended to-date. The remaining contingency is $134 million.

The project is currently in the phase of Operational Readiness Testing. The completion of this phase in contingent upon WMATA completing the testing. WMATA will declare operational readiness after satisfaction of the testing results and start pre-revenue activities, which will last approximately 90 days. The Revenue Service date will be announced by WMATA Board.

Ms. Coello provides details and background information on the current activities, which is currently in Operational Readiness Testing under WMATA. Ms. Coello also provides the latest update for

WMATA testing and punchlist completion in the meeting. A heat tape deficiency in some areas was identified during testing.

Ms. Coello provides updates on Fairfax County activities to prepare for Phase 2 opening, which include: the two new garages constructed by Fairfax County, the ongoing punchlist inspection, coordination on maintenance and operations agreement, WMATA parking agreement, etc.

Ms. Coello discusses the Reston Herndon Bus Route Optimization plan which increases access to employment and population relying on public transit.

6. **Financial/Tax Assessment/TIFIA Updates** – Joe LaHait, Fairfax County Debt Coordinator  
Mr. LaHait provides the historical perspective of growth in the district. At present-day the district stands at approximately $17.4 billion. Assessed Value of Taxable Property is approximately 2.2%. About $397.7 million tax revenue has been collected from the Tax District to date, with $15.2 million collected over the last year. A penny represents $1.7 million dollars of revenue. All debt has been issued for this tax district and reached the $400 million cap paid to the Airports Authority. The funds were collected via cash contribution and bonds. During FY 2021, the County executed the planned cash pre-payment of $11.19 million of debt with amounts available in the residual fund. Redeeming debt early reduced annual debt service by approximately $0.4 million per year. Mr. LaHait summarizes the credit ratings for the district and the residual, debt service coverage and reserve policy. Since coverage in the current fiscal year (FY2022) cannot be maintained at or above the 1.4x threshold, maintaining the current tax rate is advisable for FY 2023.

Mr. LaHait notes that it is advisable to maintain the current tax rate 9% for FY 2023 and that a tax rate increase is not required.

7. **Advisory Board Recommendation on a Proposed Tax Rate for FY 2023**  
Members present acknowledged support to maintain the tax rate as recommended at $0.09/$100 for FY 2023 and pre-pay debt from Residual Fund at $4.3M million during FY 2022.

8. **Annual Report from the Advisory Board to the Commission**  
Planned for March 29, 2022, at 3:00 pm. The meeting will be held at Fairfax County Government Center, more information will be provided.

9. **Adjourn**  
Meeting ended at 2:29 p.m.
